

Night sledding

VELIKA PLANINA

From the upper station of the cablecar to the start of the toboggan run, a chairlift takes you all the way. In the 2024/2025 season, the sledding adventure will be even more special, as a new six-seater will take you to the top in just five minutes. The toboggan run runs from the intermediate station of the chairlift to the lower station of the chairlift. The track is adequately lit, marked and protected. During night sledding, a supervisor and a rescuer are also present at the sledding area.

- The price of the sledding ticket includes both a return ride with the cablecar and an unlimited number of rides with the chairlift during the night sledding in the selected time slot, which operates until 7:45 p.m. The cablecar is open until 9:00 p.m., the Zeleni rob restaurant and Skodla bar are also open. If you don't have your own sled, you can rent it from us by making a reservation in advance at booking@velikaplanina.si.
- **Mandatory equipment:** warm, waterproof clothing, protective helmet and headlamp.
- End your winter adventure in a pleasant atmosphere with good local cuisine in one of the restaurants and bars on Velika Planina. During night sledding, the Zeleni rob restaurant and the Skodla snack bar are open.

TERMS

Friday (17:00 - 21:00)

Saturday (17:00 - 21:00)

RESERVATION

Even if you have your own sled, **prior booking is mandatory:**

booking@velikaplanina.si.

The number of places at night sledding is limited for safety reasons!

Sled rental

If you don't have your own sled, you can also borrow one from us.

We have Kališnik and Rožič brand sleds available. Rental is €10. Sled rental is only possible during day and night sledding. When the ski resort is in operation, it is not possible to rent sleds during the day.

Since the number of sleds is limited, prior announcements are required at booking@velikaplanina.si. Announce no. persons, no. sled, contact phone.

HOURS OF OPERATION

The first cablecar takes you to night sledding at 5 p.m., and the next at 6 p.m.

At the ticket office of the cablecar, say that you have a reservation. You pay for tickets and sled rentals. You will fill out a sled rental form. You will also need an identity document. With the form, you undertake to cover the damage in the amount of €100 in case of loss of the sled or damage to the sled.

The chairlift runs from 17:00 – 19:45 all the time. During this time, you can go down with the sledge as many times as you want.

At 19:45, the last chairlift takes you to Zelene rob.

You can return to the valley with the swing at 20:00 and 21:00.

CABLECAR

- UP: 17:00, 18:00
- DOWN: 20:00, 21:00

CHAIRLIFT

- 17:00 – 19:45 (non-stop)

THE TICKET OFFICE AT THE LOWER STATION IS OPEN UNTIL 6:00 PM.

DURING NIGHT SLEDDING, THE TICKET OFFICE IS OPEN AT THE UPPER STATION OF THE SWING.

SLEDDING WITH CHILDREN

Sledding with the youngest? If you are not sure whether the track is suitable for your child to sled independently, we advise you to initially sled together and then assess whether the child could sled alone.

WEATHER CONDITIONS

In case of bad weather conditions (strong wind, thick fog or lack of snow), we reserve the right to cancel. Only this will be published on the website www.velikaplana.si no later than on the day of the sledding.

If you are not sure about the current weather conditions, call us on 01/8327 258.

In the event that night sledding is cancelled, the CABLECAR RUNS ACCORDING TO THE REGULAR SCHEDULE (on Fridays until 6:00 p.m., on Saturdays until 5:00 p.m.)

GREAT IDEA FOR TEAMBUILDING

Night sledding is also popular among closed groups.

Experiencing a winter fairy tale and sledding along a 2.4 km long track is popular among families, adults, children, beginners and demanding sledders alike!

We also offer special group benefits for larger groups - For an offer, write to sales@velikaplanina.si.

We can also prepare an offer for a feast in one of our catering facilities.
